The Gollum Gold One Ring of Power Necklace was inspired from the pages of The Hobbit and The Lord of the Rings trilogy, the immortal works of J.R.R. Tolkien. The Ruling Ring, also called Isildur's Bane, is skillfully crafted in solid bronze by the Badali Jewelry artists and then barrel plated with pure 24k gold. Each One Ring pendant has the appearance of solid gold, hence the name, Gollum Gold.

Each ring is carefully hand finished and individually inspected for the highest quality by the Badali Jewelry artists. The ring is an officially licensed The Lord of the Rings and The Hobbit replica through Middle-earth Enterprises.

These ring pendants are produced from the same molds as our sterling silver and solid gold One Rings, with the exact same Tengwar rune engravings. The One Ring pendant measures approximately 7 mm (1/4") wide and 2 mm (1/8") thick. The rings are available in One Size Only (approximately size 9 3/4). They are not sizable and are intended to be worn as a necklace pendant only. Wearing the ring on your finger will quickly wear the gold plating away and will likely turn your finger green. The Gollum Gold One Ring pendant weighs approximately 4.9 grams.

The One Ring pendant is available in your choice of colors in the Tengwar script. Choose from plain (no color), black or red script.

Includes a 24" gold plated curb chain with spring ring clasps.

This item comes packaged in a satin jewelry pouch.

Other names by which The One Ring might be called include: The One Ring, The Lord of The Rings ring, The One Ring of Power, Isildur's bane, The Ruling Ring, Gollum's ring, Frodo's ring, Bilbo's ring, Bilbo Baggins ring, My Precious, The Precious, JRR Tolkien Ring, JRR Tolkien Rings, The Ring of Middle Earth, Middle Earth Ring.
