The Sterling Silver One Ring is one of our most popular One Ring styles. Each of these wearable collectibles are hand polished, finished, and inspected for the highest quality. Choose from four script colors: Plain, Black, Red, and Yellow.

Available in US sizes 5 to 13, in whole and half sizes. Sizes 13 ½ (13.5) and larger are an additional 17.00 EUR. The rings measure approximately 2 mm (.07") thick. The ring width is as follows: Sizes 5 to 8 ½ approximately 6.5 mm (.25") wide, Sizes 9 to 11 approximately 7 mm (.27") wide, and Sizes 11 ½ and up approximately 8 mm (.31") wide. The difference in the ring width is to create the most comfortable wear for your finger size. Weight will vary with size, approximately 5.9 to 9.9 grams.

The script is colored with a black jeweler's antiquing compound. If the color ever wears out, we will retreat the ring for free. To prolong the life of the script color do not expose the ring to cleaning chemicals.

Please include your ring size with your order.

Includes Card of Authenticity.
