Cold Steel Sure Balance throwing knife. Definitely in the heavyweight class, our Sure Balance Thrower is just shy of 13 1/2" long and weighs a little over a pound. It'll wreak havoc no matter how it lands! It's designed to resemble a classic thrower from the 1950's and features a narrow, yet robust point that drives deep into a wood target, but is resilient enough to resist bending or breaking. Made of 1055 carbon steel with a black, baked-on protective coat, it casts off rainy and inclement weather like an umbrella and is sure to last for many years.

Product parameters:
