The Karambit Fixed Blade is here just for those of you who do not like moving parts. This is a wicked, wicked blade and is virtually unstoppable once you put it into motion. Based on the claw of a Tiger, there is no need to explain the efficiency of its design. It has been around for millions of years in some of the most efficient predators on Earth. You wanted a Karambit Fixed Blade; here it is.

Black-T coated 154 CM stainless blade. Full tang. Black G-10 composite handles. Black Kydex sheath.
