The La Griffe (claw) comes from Europe. It is a design from noted French knifemaker Fredric Perrin. We are proud to introduce Mr. Perrin, a veteran of the French Army and expert in survival under extreme conditions. He has designed a knife that is the epitome of simplicity, efficiency, and effectiveness. It is used by military and police operators throughout the world and is widely used in the open ocean fishing fleets of the Pacific Northwest and Alaska. One piece 154 CM stainless construction with Black-T coating. Kydex neck sheath.
