The Scottish Basket-Hilt Sword, evoking images of kilted highlanders raging into battle, served the clansman well for the 17th Century on, and is still carried by officers of Scottish regiments to this day. These letter openers from CAS Hanwei are the perfect functional accent to any home or office decor. Crafted in steel with a distinctive antiqued patina, each piece is a small version of one of our full-sized swords and represents a style unique to its own time in history. Each is provided with its own stand and is packaged with a card detailing its origins.
