Hilt and Cup-Hilt Rapiers we have developed a number of other weapons for the Renaissance fencer. The Schlaeger Rapiers utilize a popular swept hilt, modified to accommodate our schlaeger blades in 37 (SH1099) and 43 (SH1098) lengths. These tapered blades provide a superior balance compared to the traditional parallel-sided schlaegers, making for a faster sword. Replacement blade available: OH1060.
