Leatherman k500x, was created specifically for rigorous use by avid hunters. Its traditional lockback design and comfortable, durable handle materials make working with the knife blade a breeze. And because the blade(plain) is made of premium 154 CM stainless steel, it will hold its cutting edge three times as effectively as typical stainless knives.

Product parameters:

- Total length: 19 cm
- Blade length: 8 cm
- Closed length: 11,5 cm
- Weight: 132 g

Leatherman Tool Group of Portland, Oregon, USA is a manufacturer of high quality line of multitools and knives. Their first multitool was called the PST (Pocket Survival Tool). Leatherman's primary product group is multi-tools but they also make knives. All tools have 25-year manufacturer guarantee.
