SOG modern battle/throwing ax evokes its origins from medieval times, which some might consider to be the present. Whether used as a target ax, SWAT tool, universal back up, or hung above the fireplace; it is very effective. The pike in the back is upswept for better target penetration. Size and heft are balanced for optimum swing control. The handle is sculpted from heavy duty black Pakka wood and the entire solid blade is protected with SOG`s Hardcased coating. Nylon sheath included.
