The blade is Koto style, forged from Japanese High Carbon steel, clay coated, heat treated (differentially tempered 40/60 HRC), hand polished and features a half bo-hi. The Koshira feature a elegant Koto style design. The saya has a rich dark brown gloss finish with a buffalo horn Koiguchi. The tsuka ito is wrapped in a golden brown Japanese silk with black 'same' and features brass antique style Fushi, Kashira, tsuba and 99% silver menuki, seppa and silver Habaki. The Kanshiki Japanese Wakizashi is forged using the Japanese Nihonto method and can be completely disassembled for full maintenance. This Japanese wakizashi is extremely sharp and is fully functional.
