This scabbard is designed to fit the Anduril Sword (UC1380ASNB), the Limited Edition Anduril Sword (UC1380ASLB), and the Narsil Sword (UC1267). Each sword is sold separately.

This authentically detailed scabbard is a reproduction of the prop prominently featured in "The Return of the King" motion picture, presented by New Line Cinema. United Cutlery Brands, industry leader in fine movie knife and sword reproductions, has meticulously recreated the actual prop scabbard, using the finest grade materials and craftsmanship of the highest quality available. Anduril's scabbard is 44-5/8" overall and features genuine leather wrap and straps, solid metal collar, fittings, buckles, plate and tip with an antiqued metal and 24-K gold plated finish. The metal plate on the side of the scabbard is inscribed with the word Andúril, meaning "Flame of the West", in the Tolkien language of Quenya, written in the runes of Eregion and is bordered by the symbols of the sun and moon. King Elessar fastened his sword scabbard to his horse saddle so he could quickly draw the sword out for battle.
