At less than 2 ½" closed, less is more with this mean little folder. It may be small, but that just means it's that much easier to conceal! Take it with you and feel secure knowing that the razor-sharp, all-stainless blade will deploy faster than an assailant can blink his eyes! A lightning-fast assisted open mechanism propels the 1 ½" blade open with sonic speed, giving you quick self defense at your fingertips. With a machined aluminum handle, it's lightweight, so you'll hardly feel it clipped to your pocket with the stainless steel pocket clip.
